
I OPERATION OF THIS AGREEMENT

I.1 General

- (a) These terms and conditions, together with Orders, Catapult's Privacy Policy and the Data Protection Addendum (**DPA**) described in clause 14(b), govern the supply and use of the Equipment, Software and Services.
- (b) These terms and conditions are version v.01 | 220.

I.2 Orders for Equipment, Accessories, Software and Services

- (a) You and Catapult may enter into Orders for Equipment, Accessories, Software and Services from time to time.
- (b) Catapult shall submit draft orders to you. You may accept or reject any draft order you receive from Catapult. A draft order becomes an Order when you notify Catapult that you accept the draft order. If you make any amendments to the draft order, your proposed amended order is a counter-offer that Catapult may accept or reject in its discretion.
- (c) When a draft order is accepted and executed by you, a separate agreement is formed between the parties for the Equipment, Accessories, Software and Services to be supplied. The terms and conditions of that separate agreement comprise the terms and conditions of the relevant Order; the version of these terms and conditions which are either specified as being expressly incorporated into, are appended to, or are linked to by a hyperlink in, that Order; and any other terms and conditions specified as being expressly incorporated into that Order (such other terms and conditions, being the **Ancillary Terms and Conditions**).
- (d) A reference in these terms and conditions to **'this agreement'** includes the Order (and any Ancillary Terms and Conditions) for the purposes of the incorporation of these terms and conditions into that Order.

I.3 Pre-Paid Purchases and Subscriptions

- (a) Catapult offers two different commercial models for you to procure the supply of Equipment (and the associated Software and Services):
 - (i) **Pre-Paid Purchase**, where you pre-pay in full for the purchase of the Equipment and access to the Software and Services; or
 - (ii) **Subscription**, where Catapult retains the title to the Equipment and makes the Equipment available to you for use by you and your Personnel subject to the ongoing payment of the Fees.
- (b) The Order will specify whether Equipment is acquired and supplied as a Pre-Paid Purchase or a Subscription.
- (c) Some of the provisions in this agreement apply differently depending on whether you and Catapult have agreed a Pre-Paid Purchase or a Subscription under the Order, and this agreement indicates which provisions are applicable in each instance.
- (d) For clarity, Accessories are only available to be purchased outright (so that you acquire title in the Accessories), and cannot be supplied on a subscription basis.

2 TERM

This agreement starts on the Commencement Date and continues for the period specified in the Order (the **Term**) unless terminated earlier under clause 19.

You must not sell or otherwise dispose of or deal in the Relevant Goods and must return the Relevant Goods to Catapult on demand. Clause 4.2(c) shall apply (with necessary changes) to the Equipment procured as a Pre-Paid Purchase until title passes to you; and
- (c) without limiting any other rights, Catapult is entitled to dispose of any repossessed Relevant Goods and apply the proceeds of sale to your indebtedness to Catapult.

4.4 Supply of Accessories
